With its space and performance, this is the car to suit you. This Volkswagen Touareg has covered 237918 kilometres, it is of the 2013 year of manufacture. It is the solidity of its construction and the thoughtfulness of its design that ensure a Volkswagen remains desirable for years to come. That is evident in this Touareg, whose service history is known. A six-cylinder diesel engine and an automatic transmission ensure this car's excellent performance.
